French	Introduction: I am learning French	Animals
Homework Set: Friday Due in: Thursday	IXL maths online Spellings, punctuation or grammar Reading: at least 4 times a week. Signed by an adult (checked on Mondays).	

Welcome to Autumn Term in Year 3!

I hope that you had an enjoyable summer break and are ready for Key Stage 2.

On the reverse, you will find the overview of topics that we will be learning about this term. If your child has any books or artefacts relevant to any of the topics, they are most welcome to bring them in and share them with the class.

As a school, we are encouraging the children to be physically active and promoting healthy living. Please remember to send in a winter P.E. kit including black sweat top and jogging bottoms. We promote regular physical activity during the school day through early morning dance routines, laps of the running track and daily skipping breaks. As such, it is important that the children have a water bottle in school daily to keep themselves hydrated. In addition, KS2 children are also required to provide their own healthy fruit snack each day. They have this mid morning and it really does help to keep them fuelled until lunchtime.

Please continue to support your child at home by listening to them read and checking their understanding at least four times each week.

Children are encouraged to read a variety of texts so remember, they are not limited to their school reading book.

Record all reading- library books, books from home, magazines, newspapers, leaflets...it all counts!

Please remember, to access maths homework on IXL, your child needs to login via this web address:

<https://uk.ixl.com/signin/busheyheathjm>

Any problems logging on, please let me know.

Regards,
Mrs Griffiths
