Mini Newsletter: October 2022

Respect, Encourage and Achieve

A vibrant school inspiring children to realise their potential

MESSAGE FROM THE HEAD

Dear Parents, Carers and Governors

Harvest

Thank you to all the parents and carers that have donated towards the Red Food Trust. The children have made a little video for you as a thank you. Having just watched it myself, I know it will make you smile! Please see the link below. [Harvest Video](#)

Friends of the School

Thank you to the Friends of the School who have presented us with a cheque for £1,945 which we have put towards developing our outdoor sporting provision. Seeing children play tennis, hockey, football, netball, table tennis and even bouncing around on space hoppers during their breaks is a joy to behold. We hope that, by embedding sporting activity throughout the day all children will be able to participate in team events, develop skills, increase their fitness and improve their stamina. They go a long way to support our 'Healthy Body: Healthy Minds' project, so thank you to Friends of the School for their hard work – and thank you parents and carers for your generous donations.

Social Media

Please remember to follow the school and teachers on Twitter, it is a fun and simple way to engage with your children's learning and see what your children do in school all day. [Bushey Heath Primary \(@busheyheathjm\) / Twitter](#)

Vending Machine

Finally, a plea to those of you who have brand new books that have never been looked at and your child has grown out of them - We would love to take these books off of your hands and place them in our book vending machine. Every week, a selection of children earn the right to place a gold coin in the vending machine and select a new book. The vending machine is looking a little sad (and empty) lately and could definitely do with some new books. Any donations would be gratefully received.

Thank you.

Penny Barefoot
Head Teacher

DIARY DATES

Please remember to check
our website for additions to
the School Calendar
