FUNDRAISING UPDATE

DESIGN TECHNOLOGY ROOM UPDATE

We are pleased to announce the completion of the first stage of our Design Technology Room project, which involved relocating the staffroom. The project will be almost entirely funded through grants and fundraising efforts. So far, we have received nearly £5,000 from the Friends of the School (FoS), but we estimate that we will need an additional £6,000 to complete the project.

MATCH FUNDING SCHEME

We would like to remind you about the Match Funding Scheme and how a small contribution of your time can significantly boost our fundraising efforts. By participating, we can double the funds raised at our events.

If you, a friend, or a family member work for a company with a match funding policy, any money raised by our FoS could be matched by the employer. We encourage you to check with your Human Resources Department to see if such a scheme exists. If it does, please contact us and we will provide the necessary paperwork.

SCHOOL UNIFORM

Please remember our School Uniform rules, which can be found on our website:

LOST PROPERTY

Our lost property collection is overflowing! While the weather is nice, we will display lost items, including preloved uniforms, on the Junior Playground on Friday at 2:45. Please remember to mark all items of school uniform. If you use pens to write names, ensure they remain legible over time.

FAREWELL TO MR FREEMAN

We are saddened to announce that Mr Freeman will be leaving us on June 28th to pursue new challenges. Words cannot express our gratitude for his incredible work as our sports coach. Mr Freeman joined our school as a Sports Apprentice and has gone on to have a huge impact on our sport provision. We wish him well and success in his new job.
