## Letting Policy & Procedures

A vibrant school inspiring children to realise their potential

Bushey Heath Primary School welcomes the letting of the school premises to other groups and organisations in the community particularly where activities relate to children and/ or families. However, the use of the premises for school functions will always take priority over lettings.

### GENERAL

- The Governing Body delegates to the Headteacher the day-to-day management of lettings, including pricing discretion, starting/terminating agreements and arrangements for security and cleaning.
- The school Office Manager is responsible for the administration of school lettings, in consultation with the Headteacher. The school will retain income derived from lettings. Moneys will be paid into the school general account.
- The school premises will not be let to individuals or organisations if there is reason to believe that the name of the school will be brought into disrepute.

- The Hirer will ensure that the event or its guests do not cause a nuisance to the local community.
- The governors wish to encourage the use of the school premises by the local community – after statutory lettings (e.g. elections), priority will be given in this order to:
  1. PTA or Friends of the School
  2. Groups that benefit the children
  3. The After School Club

The Hirer will be responsible for any damage caused to floors, walls, or equipment even if protective action had been taken.

The Hirer shall upon request provide a copy of the programme of any entertainment given by the Hirer. Once approved, the entertainment provided must conform to the programme.

No copyright dramatic or musical work shall be performed without licence from the owner of the copyright and all such licences shall be produced on demand to the School or any duly authorised officer of the council. The hirer must leave the accommodation in the condition in which it was hired. Additional cleaning and damages may result in the loss of deposit.

The school is not responsible for any loss or damage to personal possessions whilst on the premises.

**The School lets out part of its premises and related equipment for public use outside normal school hours. These lets are short term and generally charged on an hourly basis.**

The premises available for hire are:

- **Hall**
- **Classrooms**
- **Football Pitch**
- **Dining Hall & Kitchen**
- **Dining Hall**
- **Playground**

The School's Sports Facilities are also available for the use by the public and is dependent on the available facility. Other areas of the school may be available for hire on request.

Each let is made on the hirer's acceptance of the terms and conditions of hire as noted below. Hire of accommodation form and leasing application form must be completed before letting takes place.

#### **INSURANCE**

The school has taken out a public liability insurance THIRD PARTY HIRERS (TPH) annually, whereby all hirers can be covered on payment of 5% of the cost of the hire. In the case of low level letting fees the insurance premium must never be less than £1.00 per session. The school collects the premium and records it. We then hold it 'in trust' for the insurance section. At the end of August every year, this is then paid by cheque.

Each individual hirer can take out their own public liability insurance in which case they must show a copy of the cover note to the Business Manager or Headteacher. This must be for a minimum of £5 million (current County standard).

It is not necessary for hirers entitled to Free Lettings to take out their own Public Liability insurance. Free Lettings are automatically covered by the County Council's blanket policy.

#### **Termination & Cancellation**

The school may at any time, without notice, cancel any booking, in which case the hirer will be reimbursed the full amount paid for the booking. The school will not be held responsible for the loss of any estimated income or actual expenses arising from the cancellation.

Cancellations by the hirer will be accepted but will incur charges based on the length of notice given. Refunds of fees will be as follows:

- **More than 6 weeks notice - Full refund of fees paid to the date of cancellation.**
- **6 to 4 weeks notice - One third of the fees paid.**

- **Less than 4 weeks - No refund**

The school can at anytime during the hire, or in the period prior to the hire, terminate the hire without notice if the hirer is in breach of the conditions of hire.

### Calculating Charges

The governors determine their own charges for all lets taking into consideration basic running costs, e.g. heating, caretaking and cleaning, etc. These rates are reviewed by the Finance Committee on an annual basis, usually as part of the budget setting process, and the new rates approved through the Governing Body as recorded in their minutes. The new rates are normally implemented from the start of each academic year.

The school is expected to apply the governor approved rates for all hirers to the school. However, to promote community use, the Head Teacher may use their discretion to give a 10% discount. This must be recorded with the hirers' records.

The governing body reserves the right to increase charges for the use of the accommodation at any time prior to the hiring after giving one month's notice in writing of its intention to do so. After such notice, the Hirer shall be entitled to terminate the hiring by notice within one week of receiving the notice of increase.

Charges are based upon the length of time the school is required to be available to the hirer, including preparation and clearing up.

VAT is only chargeable if the apparatus in the hall is used.

## **17 ONLINE SAFETY ACCEPTABLE USE AGREEMENT - PERIPATETIC TEACHERS/COACHES, SUPPLY TEACHERS**

School name

Online safety lead

Designated Safeguarding Lead (DSP)

This agreement forms part of your professional and safeguarding responsibility in the school. You must read and sign this agreement. This will be kept on record and you should retain your own copy for reference.

Internet, mobile and digital technologies are part of our daily working life and this agreement is designed to ensure that all staff and governors are aware of their responsibilities in relation to their use. You are expected to adhere to this agreement. Any concerns or clarification should be discussed with Penny Barefoot. Breaches will be investigated, recorded and, where appropriate, disciplinary procedures will apply and police involvement will be sought.

The school's online safety policy will provide further detailed information as required.

### **Internet Access**

I will not access or attempt to access any sites that contain any of the following: child abuse; pornography; discrimination of any kind; promotion of prejudice against any group; promotion of illegal acts; any other information which may be illegal or offensive. Inadvertent access on school equipment must be treated as an online safety incident, reported to the online safety lead and/or DSP and an incident report completed.

### **Online conduct**

I will ensure that my online activity, both in and outside school, will not bring the school, my professional reputation, or that of others, into disrepute.

I will not browse, download, upload or distribute any material that could be considered offensive, illegal or discriminatory. Exceptionally, use of controversial material as part of the curriculum should be planned and approved on every occasion (see policy).

I will report any accidental access to or receipt of inappropriate materials or filtering breach to Penny Barefoot.

I understand that all my use of the internet and other related technologies can be traced and monitored and, should it be required, must be made available to my line manager, headteacher and others as required.

I will not give out my personal contact and online account information such as phone numbers, email address, and social media account details to pupils and/or parents/carers.

Should I need to share my professional details, such as mobile phone number or email address, with parent/carers, this must be agreed in advance as an acceptable approach with Penny Barefoot.

### **Social networking**

I understand the need to separate my professional role from my private friendships; in my professional capacity I will not become 'friends' with parents/carers or pupils on social networks. Where my school role is my only connection to an individual, private online contact is unacceptable with parents/carers or pupils.

Information can be shared with pupils over 13 and parents/carers through an organisational social network site/page e.g. on Facebook or Twitter, but never through a personal account or site. In my professional role in the school, I will never engage in 1-1 exchanges with pupils or parent/carers on personal social network sites.

My private account postings will never undermine or disparage the school, its staff, governors, parents/carers or pupils. Privileged information known as a result of my work in the school must remain confidential.

I will not upload any material about or references to the school or its community on my personal social networks.

### **Passwords**

I must clarify what access I may have to the internet and/or school systems. If I have access of any kind, I understand that there is no occasion when a password should be shared with a pupil or anyone who is not a staff member.

### **Data protection**

I will follow all requirements for data protection explained to me by the school. These include:

- I must consult with the school before making any recordings, photographs and videos. Once agreed, these must be made on a school device.
- I understand that there are strict controls and requirements regarding the collection and use of personal data. I will follow all requirements regarding GDPR.

### **Images and videos**

I will only upload images or videos of staff, pupils or parents/carers onto school approved sites where specific permission has been granted.

I will not take images, sound recordings or videos of tuition or wider school activities on any personal device. School devices can be used for this purpose or, in the case of 1:1 tuition, pupil's or parent/carer devices can be used, with parent/carer agreement.

Internet, mobile and digital technologies provide helpful recording functions but these cannot be made on a teacher's personal device. Recordings can be made with the child's and parent/carer's agreement on a school device, an organisational device approved by the headteacher/DSP, or a young person's or parent/carer's own device.

### **Use of Email**

I will only use my professional email address for all school business. All such correspondence should be kept professional and is open to Subject Access Requests under the Freedom of Information Act. I will not use my professional email addresses for personal matters.

### **Use of personal devices**

I understand that when working in the school I should at no time put myself in a position where a safeguarding allegation can be made against me as a result of my use of personal devices. I understand that the use of personal devices in school is at the discretion of the headteacher.

I will only use approved personal devices in designated areas and never in front of pupils. This therefore precludes use of specialist apps on personal devices. A school device could be used to access specialist apps that support pupil learning. Pupils can also be encouraged, but not required, to access such apps on their own devices if allowed by the school and with parent/carer agreement.

### **Additional hardware/software**

I will not install any hardware or software on school equipment without permission of Penny Barefoot.

**Promoting online safety**

I understand that online safety is part of my responsibility and I will promote positive online safety messages at all times, including when setting homework, rehearsal or skill practice or when providing pastoral support.

I understand that it is my duty to support a whole school safeguarding approach and will report any behaviour (of staff, governors, visitors, pupils or parents/carers) which I believe may be inappropriate or concerning in any way to the DSP or Penny Barefoot.

**Classroom management of internet access**

I will pre-check for appropriateness all internet sites used in the classroom or during a tutoring session; this will include the acceptability of other material visible, however briefly, on the site. I will not free-surf the internet in front of pupils.

If I am using the internet to teach about controversial issues I will secure, on every occasion, approval in advance for the material I plan to use with Penny Barefoot.

**Video conferencing**

I will only use the conferencing tools that have been identified and risk assessed by the school leadership, DPO and DSP. A school-owned device should be used when running video-conferences, where possible

**User Signature**

I agree to follow this Acceptable Use Agreement and to support online safety in my work in the school. I understand this forms part of my company/educational setting/organisation’s contract with the school.
