## FEBRUARY 2026 NEWSLETTER

Dear Parents and Carers

As we move through another busy and exciting term, we would like to thank you for your continued support. It has been wonderful to see the children thriving in school — their enthusiasm, kindness and curiosity are shining through every day.

Below are a few important updates and some exciting news about upcoming opportunities for our pupils.

### **After-School Club Update – September 2026**

We would like to share some early information with you regarding our after-school club provision.

From September 2026, the school will be taking over the running of the after-school club. While this is still some time away, we wanted to let families know in advance, particularly those who rely on this important provision.

We understand how vital wraparound care is for many families, and we want to reassure you that our intention is to ensure the club continues to offer the same high-quality, safe, caring and enjoyable provision that children and parents are used to.

At this stage, we are working carefully behind the scenes to ensure the transition is smooth and well-planned. More information will follow as we get closer to the date.

Thank you, as always, for your support and understanding.

## Exciting New Project: Children's Business Market (KS2)

Following the success of the children's stalls at Bushey Heath's Artist Market, we are thrilled to share that many of our pupils have been inspired to take things even further!

A number of children are enthusiastic to create more products and sell them again — this time as part of a school-led mini enterprise project. We will be launching a small "Business Market", where children can design and sell their own items to raise money for the school and/or a chosen charity.

This is a fantastic, real-world learning opportunity where children will explore key business concepts, including:

- Profit
- Turnover
- Raw materials and costs
- Understanding the need to pay for staffing
- And (for fun!) they may even decide to take a small dividend!

Most importantly, this is a fun and exciting project that the children are genuinely enthused by, and we are delighted to support their creativity and ambition.

Initially, the Business Market will be aimed at KS2 children.

Dates and times will follow soon.

Thank you for your continued support of the school. We are proud of the opportunities our children are given and even prouder of the way they rise to them.

Warm regards

Penny Barefoot
