

Welcome back to Spring Term in Year 4!  
Happy New Year to you all and I hope you had an enjoyable  
Christmas break.

On the reverse, you will find the overview of topics that we will be learning about this term. If your child has any books or artefacts relevant to any of the topics, they are most welcome to bring them in and share them with the class.

As a school, we are encouraging the children to be physically active and promoting healthy living. Please remember to send in a winter P.E. kit including black sweat top and jogging bottoms, as well as appropriate footwear. We promote regular physical activity during the school day through dance routines and skipping breaks. For this reason, it is important that the children have a water bottle in school daily to keep themselves hydrated.

Please continue to support your child at home by ensuring that they read every day where possible, asking questions to check their understanding and signing their reading record book. Children are encouraged to read a variety of texts, so remember they are not limited to their school reading book. We want to promote a love of reading! Record all reading- library books, books from home, magazines, newspapers, leaflets...it all counts!

Finally, children are expected to be able to recall all times tables up to 12 x 12 by the end of Year 4. We will continue to practice times tables and investigate various multiplications and patterns in school, however, daily practice at home will be massively beneficial for all children.

We thank you for your continued support and look forward to working together over the next term.

Regards,

Miss Durcan and Mrs Gillett

## Year 4 Spring 1 Overview 2016 - 2017
