Welcome back to Spring Term in Year 3!
Happy New Year to you all and I hope you had an enjoyable
Christmas break.

On the reverse, you will find the overview of topics that we will be learning about this term. If your child has any books or artefacts relevant to any of the topics, they are most welcome to bring them in and share them with the class.

As a school, we are encouraging the children to be physically active and promoting healthy living. Please remember to send in a winter P.E. kit including black sweat top and jogging bottoms. We promote regular physical activity during the school day through early morning dance routines and daily skipping breaks. As such, it is important that the children have a water bottle in school daily to keep themselves hydrated.

Please continue to support your child at home by listening to them read and checking their understanding at least four times each week. Children are encouraged to read a variety of texts so, remember they are not limited to their school reading book. Record all reading- library books, books from home, magazines, newspapers, leaflets...it all counts!

Regards,

Mrs Griffiths
