Homework Set: Friday Due in: Friday	Maths (online activities where appropriate) Spellings, punctuation or grammar Reading: at least 4 times a week. Signed by an adult (checked on Mondays).	

Welcome back to Summer Term in Year 3!
I hope you had an enjoyable
Easter break.

On the reverse, you will find the overview of topics that we will be learning about this term. If your child has any books or artefacts relevant to any of the topics, they are most welcome to bring them in to share with the class.

As a school, we continue to encourage the children to be physically active. Please remember to send in a P.E. kit that still needs to include a black sweat top and jogging bottoms as we can never be sure of the weather! We promote regular physical activity during the school day through early morning dance routines, skipping breaks and regular laps of the running track. As such, it is important that the children have a water bottle in school *daily* to keep themselves hydrated.

Please continue to support your child at home by listening to them read and, most importantly, checking their understanding at least four times each week.

Children are encouraged to read a variety of texts so remember, they are not limited to their school reading book.

Record all reading- library books, books from home, magazines, newspapers, leaflets...it all counts!

Regards,

Mrs Griffiths
